To Our Valued Guests and Passengers:

In response to the COVID-19 pandemic, the Waterloo Central Railway is cancelling all operations until at least the end of April. The health and safety of our guests, passengers, volunteers and staff is paramount along with a desire to do what we can in this small way to flatten the spread of the virus. We will re-evaluate our schedule for May as that time approaches.

Although this is a difficult decision given, we are a not-for-profit directly dependent on ticket fares for the operation and restoration of our heritage railway equipment it is the right thing to do. We are looking at interim avenues of revenue so we will be here to serve you in the future.

We will be monitoring the situation closely and the resumption of our operations will be based on the recommendations of Public Health officials. When we do resume railway operations the announcement will be made through our social media platforms and all our equipment will have been deep cleaned, disinfected and ready for operation.

Yours truly:
